He is Risen, Truly Risen, Alleluia!

Christians throughout the world mark the day when Jesus by his own power, broke the chains of death and victoriously rose from the dead witnessed by his followers. Two thousand years later we along with believers everywhere celebrate that event which purchased for us the gift of eternal life.

Our forty days of Lent are over and the song of the Risen One echoes in our world and in our heart. Dying and rising has a unique significance this year. The scourge of the COVID-19 virus has brought fear, panic, sorrow, and despair to so many. This time presents for us an opportunity to place our trust in Christ in a new way.

The same Jesus who emerged from the tomb after his crucifixion and death is with us NOW. Fear makes this easy to forget. We as his disciples are not only called to trust in him, but to invite others to do so as well. The message of the resurrection of Christ is for everyone.

Our time at home can be marked by extra time spent in prayer with our Risen Lord. He wishes to share this moment in time with you and those whom you love. If you find yourself alone, Jesus' words should offer comfort and consolation; "I will be with you always."

We long for the time when we will be able to gather together again in God's house. Until then, let us keep each other in prayer and support one another by our concern. A simple phone call to someone now will mean a great deal to them.

Know that you and those you love both living and deceased will be the intention of my Masses and prayers. May the Risen Jesus come to you with his power and bring you true peace.

Happy Easter,
Fr. Robert

Prayer for My Spiritual Communion

My Jesus, I believe that You are in the Blessed Sacrament. I love You above all things, and I long for You in my soul. Since I cannot now receive You sacramentally, come at least spiritually into my heart. As though You have already come, I embrace You and unite myself entirely to You; never permit me to be separated from You.

Amen.

ENVELOPE USAGE AND YOUR CHURCH OFFERING

There are times when we are all personally presented with situations that initially may appear to be impossible burdens. They often become opportunities for revelation and positive change. In these most challenging times, I am grateful for your faithful support of Our Lady of Victories Church in every way that you are able. Though we may be physically isolated from our church, we continue to receive bills each day. Your generosity, shared in so many ways, is what keeps this parish going spiritually and financially. Every prayer and every contribution make a real difference. If you would like to participate in our Online Giving Program, and have all the benefits of envelope-use without using the envelope, please visit our Online Giving site through our website. We recently started using PayPal as another way to give to our parish. PayPal information is on our website or Facebook page. Envelopes can be mailed or left in the mail slot at the employee entrance in the rear of the Pastoral Office. We are here for each other and trust in the Lord. God bless you and your families during these difficult days.

DE PAUL NEWS**

**Happy Easter from
The Society of St. Vincent de Paul
Thank You for Your Support!**

Happy Easter to all the parishioners of Our Lady of Victories. We cannot be together as we would like but we are together in spirit. Thank you for all the support you give to the work of our Society throughout the year. We pray that this very difficult time will end soon.

Our prayers are for all the essential workers supporting the rest of us and for their families. Thank you for your dedication. Please be safe, we need you.

We expect our society will be needed more than ever when we're back to normal. The needy will be affected the most as our economy struggles. If you can help in any way, thank you.

If you or someone you know is in need of assistance please contact us through the parish office at 732 257-0077. SVdP will continue to help the needy the best we can.

The church is open during the day for private prayer continuing on Easter Sunday. Food can also be donated at that time in the baskets at the entrances. Thank you for donating, we are still collecting for the pantry.

**BEWARE OF
SCAMMERS!**

We have been alerted once again that many parishioners of the Diocese have been targeted by fraudsters

and it's not just happening in New Jersey. The Diocese of Scranton, Pennsylvania, and the Archdiocese of Miami, Florida and others also have reported the scam and the Texas attorney general issued a consumer alert about it. The alert indicates that the scammers are probably using information found on church websites or in online parish bulletins to trick parish members into parting with their cash. Fraudsters using Facebook messenger have even gone so far as to include a priest's profile picture, captured from Facebook or another online source, to make their correspondence appear more authentic.

Immediate Job Openings The State of New Jersey has developed a centralized resource to match talent with opportunities in industries on the front lines of serving residents of New Jersey during the outbreak. Businesses across New Jersey need thousands of workers for immediate hire.

Please share this information with anyone that has lost a job or have reduced hours as a result of COVID-19. Interested applicants are advised to visit the site listed below to view available job opportunities <https://.covid19.nj.gov/> Please note that the listing of these businesses that are currently hiring is for information only.
