

# TAKE JOY!

## MOTHER'S DAY BABY SHOWER

Mother's Day Weekend, May 12 - 13

As part of our Spiritual Adoption Program, since September you have been praying along with us for babies in danger of abortion, and following their progress with the posters in the church and notices in the bulletin. In your hearts you have given them names along with your prayers, and maybe dreamed of where their futures would take them. There are many mothers whose decision to **choose Life** will have been made because of **your** faithful prayers over this time.

**TAKE JOY** in knowing you have been an instrument in God's miracle!

The baby shower is a visible, practical way of welcoming these little boys and girls to the world, and we ask that you continue the wonderful generosity you have shown over the years. All items will be brought to the centers to which we send financial support over the year, also made possible because of your open hearts and hands. At the Masses May 12 -13, there will be a crib at the Blessed Mother's altar, into which you may place your **NEW** gifts. Mothers who have chosen to keep their babies are given outfits in which to take their children home, additional outfits, diapers, and other necessities to get them started. ***Please save used items for other programs.***

### HERE IS THE "WISH LIST"

**DIAPERS! – ALL SIZES newborn to 24 months**                      **"ONESIES" – all sizes**  
**WIPES**    **BLANKETS-all seasons**

*We have had the Spiritual Adoption program for some time now, and the first babies for whom you prayed would now be about 18 years old, nearing the end of their high school years - please continue to remember them in your prayers.*

***Though you may never know them on this earth,  
we believe that you will see and embrace these children  
one day in Heaven, and what a joyous meeting that will be!***

***May God bless you abundantly for your caring and support!
