

What a blessing for our parish to welcome back our beloved school students. On September 2nd our school will open for Grades K-8 and on September 8th we welcome our PreK children.

Our plan is prepared and everything is in place to create a loving, safe, and fun environment for our children to learn in.

We are so grateful to God for all His graces in allowing us to move forward in our parish school.

Our Lady of Victories, Pray for us...
