Each decade of that World Mission Rosary calls to mind an area where the Church continues her evangelizing mission: **GREEN** for the forests and grasslands of Africa; **BLUE** for the ocean surrounding the islands of the Pacific; **WHITE** symbolizing Europe, the seat of the Holy Father who is the first missionary of the Church; **RED** calling to mind the fire of faith that brought missionaries to the Americas and **YELLOW**, the morning light of the East, for Asia.

Praying this Rosary, Archbishop Sheen explained, would "aid the Holy Father and his Society for the Propagation of the Faith by supplying him with practical support, as well as prayers, for the poor mission territories of the world." "When the Rosary is completed, one has...embraced all continents, all people in prayer," he added. "Won't you please make a tour of the world on your World Mission Rosary?"
