January, 2020

Our Lady of Victories Parishioners:

As you already know, Our Lady of Victory Council 2061 is celebrating its 100th Anniversary. How fitting would it be to finally have our grotto, which was destroyed some time ago, reconstructed and rededicated this spring.

Past Grand Knight Patrick Revel has championed this fundraising effort through donations and profits earmarked from council affairs. Plans have been completed and estimates have been received from a local construction company in South River. Although a sizeable portion of the proceeds from our recent 100th Anniversary Dinner Dance brought us closer to reality, we are still below our funded goal.

Past Grand Knight John Schnitzer is initiating a "Buy A Brick Campaign" to reach our goal. This program proposes to install at the foot of the grotto brick pavers, which could be engraved with either a memorialization to a child, spouse, parent, sibling or any family member, or if you wish, as a sponsor of this much needed grotto. Each brick can be engraved with up to 3 lines of 15 characters each. The area at the foot of the grotto can accommodate over 300 bricks and the donation requested is \$85.00 per brick, which includes engraving as well as installation.

Our initial goal would be to have 94 bricks engraved which would form a cross within the overall field of bricks. We realize that this may not be an easy task, but wouldn't you like to be a sponsor, or have a loved one remembered and honored within this permanent solemn location? Those who commit to an engraved brick will receive a plan of the area to choose the location of their engraved brick.

If you choose to be part of this permanent dedication, please fill out the attached engraving form and mail or deliver it to our council along with your donation payable to Knights of Columbus, Council 2061 no later than April 1, 2020. Your generosity will remain forever.

Vivat Jesus
