

Prayer to Our Lady of Victories

**O sweet and gentle Lady,
Immaculate Mother of God,
We beg you to be our Mother now and all
the days of our life.**

**Shield us, Mother Mary, with your holy
mantle that nothing of the enemy could
harm or molest us.**

**Ask your Son, our Lord Jesus Christ, to
spare us from any calamities that will
cause our life misery.**

**Pray for us that we may lead a life
pleasing to Him, and when our end comes,
present us to Him, and may we live with
Him in His kingdom forever and ever,
Amen.**

Our Lady of Victories, pray for us.
